SD400 LOBBY | Smart, reliable and innovative

Slimmer and lighter, the SD400 Lobby with the 19" monitor and smart interfaces such as NFC and Qrcode reader, is the ideal solution for installations in self-service areas.

The new layout is in fact characterized by smaller dimensions and a reduction in weight, in response to the needs for ever greater installation flexibility and cost containment, while offering enhanced performance and advanced functionality. Modern and attractive design, high-performance and reliable recirculation module and advanced functionalities make it the reference point for the market segment!
